Tom Dodd Nurseries, INC. SEMMES, ALABAMA

WHOLESALE Price List 1955 - 1956

U. S. HIGHWAY 98 and ALABAMA 42

10.50

Aerial Photograph of Tom Dodd Nurseries

THIS year for the first time in a long time Mother Nature has smiled on Southern Alabama. We have had just the right combination of rain and sunshine for almost perfect growing conditions. As a result, our plants have responded superbly — rich luxuriant foliage and sturdy root systems.

America's Azalea-Camellia Center

Terms and Conditions

TERMS—All prices herein are strictly NET CASH, to the trade only, and are F.O.B. Semmes, Alabama. There is a 2% discount on all items except liners and container material.

C.O.D. ORDERS must be accompanied by 25% of purchase amount. For a deposit of 25% on any order we will hold same.

Lots of 5, 50, and 500 of the same variety and same size will be sold at the 10, 100, and 1000 rates, with the exception of all varieties of Azaleas, on which we cannot accept orders for less than 25 liners of a single variety; nor less than 10 of any other size of a single variety. Specimen stock selected from or marked in the nursery by customers will be charged for according to its value. The prices will be higher than the listed prices.

PACKING—Orders requiring crating or baling for transit via rail, motor freight, air or express will be charged packing at cost.

SHIPPING—Please give shipping instructions whether by freight or express and route. If no instructions are given, we will forward to the best of our judgment, without assuming responsibility. All goods travel at the purchaser's risk and expense.

TRUCK SERVICE—We are able to offer service within a radius of 100 to 2000 miles from Semmes. Charges average much less than railroad rates with delivery at your door. If interested, write for further information.

CAUTION—We accept all orders subject to crop conditions and on condition that some shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us from making delivery.

GUARANTEE OF GENUINENESS—If any nursery stock proves untrue to description or variety name under which it is sold, we hold ourselves in readiness on proper proof, to replace such nursery stock that may prove untrue to description or name. We shall in no case be liable for any sum greater than the amount originally received for said nursery stock.

CLAIMS for any cause must be made promptly on receipt of stock. We will not entertain claims after goods have been once accepted, or when report is not made within Ten Days after arrival of stock. We express or imply no warranty as to the productiveness or life of the nursery stock we sell and will not be in any way responsible for the results secured in transplanting.

Azalea

Indica Azaleas

The most popular of all Southern flowering shrubs and evergreens, the Indica Azalea continues to retain its unequaled charm and beauty in the landscaped gardens and lawns of the smallest homes to the largest estates.

As its popularity increases, our efforts to produce the best stock continues, and now we have a good supply of many of this type. All are well rooted, have been root-pruned, and are guaranteed to have the best foliage color that can be produced. We urge you to try at least a few. You will be completely satisfied with the sales of these fine, beautiful plants.

All our Indica Azaleas are growing in the field, which method of growing affords a much better plant in nearly every respect.

DAPHNE SALMON—With medium flowers, typical of the name in color, it is a very hardy plant that is ideal for greenhouse or landscaping. Sizes, 15-18" and 18-24".

DODD'S PINK—Very hardy Azalea with large pink flowers that bloom about the same time as Pride of Mobile. A good grower that blooms prolifically. Sizes, 18-24" and 24-30".

FIELDER'S WHITE—One of the best whites among the Indicas with pure white flowers and dark green foliage. A strong grower and very hardy. Size, 12-15".

FORMOSA—Very fast grower with large dark leaves and big purplish-pink flowers which have less purple than Phoenicia. Size, 18-24".

JUDGE SOLOMON—A pink sport of Formosa. Has the beautiful dark green foliage of its parent. The bloom is a lovely deep pink. This very good variety recently introduced into the Indica family is rapidly becoming a favorite. Sizes, 15-18"; 18-24"; and 24-30".

PRIDE OF MOBILE—Very hardy and a good bloomer, forming watermelon-pink blossoms in masses that completely cover the plant. Sizes, 12-15"; 15-18"; and 18-24".

PRINCE OF ORANGE—Spreading grower with deep orange-red flowers. Sizes, 12-15" and 15-18".

Azalea

Kurume Azaleas

The Kurume Azaleas are one of the most showy of all forms for the garden. They are also well adapted to forcing—thousands of them being sold for such occasions as Mother's Day, Easter, Christmas, Decoration Day, etc. They are comparatively easy to grow and make such a wonderful display that the demand is constantly increasing. Many varieties may be seen growing as far North as Long Island. As a rule, all varieties are extremely prolific bloomers, and in season, blossoms completely cover plants. Nearly every shade and hue is represented in Kurume varieties.

CHRISTMAS CHEER—Very small deep-crimson flowers. This compact plant is good for pot culture and an excellent variety for forcing. Flowers are of the hose-in-hose type. Sizes, 4-6" and 6-8".

CORAL BELLS—Coral pink, well shaped, hose-in-hose flowers. It is one of the best plants for floriculture. Small leaves and a compact grower. Sizes, 4-6"; 6-8"; 8-10"; 10-12"; and 12-15".

FASHION (Glendale hybrid)—Salmon pink, prolific bloomer. Grows practically upright. Sizes, 6-8"; 8-10"; 10-12"; and 12-15".

HEXE—Slow, compact grower with showy deep scarlet, hose-in-hose flowers. Sizes, 4-6"; 6-8"; 8-10"; and 10-12".

HIAWATHA—Indian red. Blooms late in the season. Sizes, 4-6"; 6-8"; 8-10"; and 10-12".

HINODEGIRI—Brilliant deep red flowers that are borne in clusters. Slow, compact grower, making it a good pot-plant. Continuously a favorite for landscape borders. Sizes, 4-6"; 6-8"; 10-12"; and 12-15".

HINO-CRIMSON—Similar to Hinodegiri in growth and habit, but with a more crimson-red flower having a somewhat longer blooming period. Sizes, 4-6" and 6-8".

MORNING GLOW—Light pink hose-in-hose flower. Very hardy. Size 12-15".

MRS. ADDY WERY—Blood red flower often described as the most red flowered Azalea. Good grower. Sizes, 12-15" and 15-18".

RUBY—Scarlet red, hose-in-hose flower. Size, 10-12".

SHERWOOD RED—Blood red flowers which entirely hide the foliage. Very glossy foliage which turns red in winter. Size, 15-18".

SNOW—Pure white hose-in-hose flowers that cover the plant. Dense, compact grower with dark green foliage. Sizes, 4-6"; 6-8"; 8-10"; and 10-12".

** Grafts*

Camellia Sasanqua

T.

This beautiful plant must be the answer to the Landscape Architect's wish for an evergreen flowering plant which can be used for screening, clipped hedges, a specimen, foundation planting, and espalier. It is one of the hardiest of the broad leaf evergreens and has become very popular with the Landscape Architect.

BENI KANTSUBAKI (Shishigashira)*—Profuse bloomer with double bright rose-red flowers and dark green foliage. Excellent for patios.

12 to 18 inches	\$ 2.80
18 to 24 inches	4.00
2 to 3 feet	6.50

CLEOPATRA—Deep rose semi-double flower of medium size. Numerous short yellow stamens. Plant has small thick leaves of a dark glossy green.

2 to 3 feet	\$ 1.60
3 to 4 feet	2.40
4 to 5 feet	3.40

CRIMSON TIDE*—Our seedling. One of the earliest sasanquas to bloom. Blooms profusely throughout a very long blooming period. The glowing ruffled red flower is more of a true red than any other sasanqua. Habit of growth is upright, fast and compact, producing excellent dark foliage. It is becoming one of the best for general landscape use and for key plantings. Should do very well beyond the Camellia Belt.

18 to 24 inches	\$ 3.50
2 to 3 feet	4.50
3 to 4 feet	6.50

JEAN MAY*—Glossy foliage and compact; upright habit of growth. Large double flowers, shell-pink in color. Outstanding.

12 to 18 inches	\$ 3.00
18 to 24 inches	4.50
24 to 30 inches	6.50

MINE NO YUKI—Irregular double white. Free and prolific bloomer. Makes massive shrub. Aristocratic.

18 to 24 inches	\$ 1.20
2 to 3 feet	1.60
3 to 4 feet	2.40

MISS AUBURN—Our seedling. Large single flower of deep rose, shading into a lighter color center. A good fast grower with dark green leaves.

12 to 18 inches	\$ 1.00
18 to 24 inches	1.60
2 to 3 feet	2.00

Note: All plants are field-grown specimens, B&B.

* Grafts

PINK SNOW*—New variety from Mine-no-yuki seedling. Habit of growth differs somewhat in that it is fairly upright and compact. The flower differs only in color to its parent.

2 to 3 feet	\$ 4.50
3 to 4 feet	5.50

ROSEA—Large, single deep-pink flower. An upright but loose grower.

12 to 18 inches	\$ 0.80
18 to 24 inches	1.20
2 to 3 feet	1.60
3 to 4 feet	2.40

SETSUGEKKA—White semi-double with ruffled petals edged with a touch of pink. Plant erect with dark-green foliage.

2 to 3 feet	\$ 1.60
3 to 4 feet	2.40
4 to 5 feet	3.40

SHELL PINK—Large, single light-pink bloom. Very fast upright grower and very, very hardy. An excellent item for backgrounds or for screening.

18 to 24 inches	\$ 1.20
2 to 3 feet	1.60
3 to 4 feet	2.40

SHOWA NO SAKAE (Usa Beni)*—Semi-double to peony. Soft pink color. Heavy bloomer. Flowers sometimes appear the first year. Slow, low and compact.

12 to 18 inches	\$ 2.80
18 to 24 inches	4.00
2 to 3 feet	6.50

Note: All plants are field-grown specimens, B&B.

Broad Leaf Evergreen

ABELIA GRANDIFLORA—A very hardy shrub of medium size (up to six feet). Bell-shaped flowers of white, flushed pink; borne mostly in the Summer. Shiny deep-green foliage, tiny leaves. Excellent for screening and hedging.

Field-grown, B&B Stock, 12 to 18 inches	\$.60
Field-grown, B&B Stock, 18 to 24 inches	.80
Field-grown, B&B Stock, 2 to 3 feet	1.20

ERIBOTRYA JAPONICA (Loquat)—Medium size shrub with large, dark-green leaves providing dense shade. Has pear-shaped yellow edible fruit. Nice for espalier work.

Field-grown, B&B Stock, 18 to 24 inches	\$ 1.00
Field-grown, B&B Stock, 2 to 3 feet	1.20
Field-grown, B&B Stock, 3 to 4 feet	1.60

FEIJOA SELLOWIANA (Pineapple Guave)—Fast growing, tall, evergreen shrub; known to reach a height of 18 feet. Grey-green foliage and waxy, white flowers with bright red central cluster of stamens.

Field-grown, B&B Stock, 12 to 18 inches	\$ 1.00
Field-grown, B&B Stock, 18 to 24 inches	1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60

LIGustrum ERECTA—A very vigorous tall growing Ligustrum. Glossy, dark green foliage and very compact in growth.

Field-grown, B&B Stock, 18 to 24 inches	\$ 1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60
Field-grown, B&B Stock, 3 to 4 feet	2.00

LIGustrum LUCIDUM (Wax Privet)—Large shrub with somewhat spreading branches and very dark-green waxy foliage. Our entire stock has been pruned.

Field-grown, B&B Stock, 12 to 18 inches	\$.80
Field-grown, B&B Stock, 18 to 24 inches	1.00
Field-grown, B&B Stock, 2 to 3 feet	1.60

MAGNOLIA GRANDIFLORA (Bull Bay)—Tall evergreen tree up to 80 feet in height. Has large dark-green glossy above leaves. A favorite all over the Southland.

Field-grown, B&B Stock, 15 to 18 inches	\$ 1.00
Field-grown, B&B Stock, 18 to 24 inches	1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60
Field-grown, B&B Stock, 3 to 4 feet	2.00
Field-grown, B&B Stock, 4 to 5 feet	3.00

OSMANTHUS AQUIFOLIUM—Shrub up to 20 feet. Leaves are about 2½ inches long with a few large spiny teeth. Blooms white during June or July.

Field-grown, B&B Stock, 18 to 24 inches	\$ 1.60
Field-grown, B&B Stock, 2 to 3 feet	2.00

OSMANTHUS FRAGRANS (Sweet Olive)—Small tree up to 20 feet high. Has numerous clusters of small but very fragrant flowers.

Field-grown, B&B Stock, 12 to 18 inches	\$.80
Field-grown, B&B Stock, 18 to 24 inches	1.00
Field-grown, B&B Stock, 2 to 3 feet	1.20
Field-grown, B&B Stock, 3 to 4 feet	1.80
Field-grown, B&B Stock, 4 to 5 feet	2.20

PODOCARPUS SINENSIS (Japanese Yew)—One of the largest leaved of all Conifers. A very handsome evergreen shrub. Grows very large.

Field-grown, B&B Stock, 12 to 18 inches	\$.80
Field-grown, B&B Stock, 18 to 24 inches	1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60
Field-grown, B&B Stock, 3 to 4 feet	2.00

PRUNUS CAROLINIA (Cherry Laurel)—A handsome evergreen shrub from 20 to 40 feet. May be used as a small tree and will bear most any type pruning. Provides attractive white flowers followed by dark berries.

Field-grown, B&B Stock, 12 to 18 inches	\$.60
Field-grown, B&B Stock, 18 to 24 inches	.80
Field-grown, B&B Stock, 2 to 3 feet	1.20
Field-grown, B&B Stock, 3 to 4 feet	1.60
Field-grown, B&B Stock, 4 to 5 feet	2.00

Oriental Magnolia

ALEXANDRINA—Large attractive flower, rose purple on the outside and contrasting white on the inside. A lovely flower and a fast growing variety.

Field-grown, B&B Stock, 18 to 24 inches	\$ 1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60
Field-grown, B&B Stock, 3 to 4 feet	2.40

STELLATA—Star Magnolia, light pink flowers which appear white from a distance. The narrow petals and shape of the flower with its dwarf habit of growth make this variety very popular.

Field-grown, B&B Stock, 12 to 18 inches	\$ 1.20
Field-grown, B&B Stock, 18 to 24 inches	1.60

SOULANGEANA—Very hardy and fairly fast growing. Lovely large pink flowers.

Field-grown, B&B Stock, 15 to 18 inches	\$.80
Field-grown, B&B Stock, 18 to 24 inches	1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60

SOULANGEANA NIGRA—Dark purple flower with multi-stemmed bush.

Field-grown, B&B Stock, 15 to 18 inches	\$.80
Field-grown, B&B Stock, 18 to 24 inches	1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60
Field-grown, B&B Stock, 3 to 4 feet	2.20

SUPERBA ROSEA—Similar to soulangeana with deeper pink flower, upright and fast grower.

Field-grown, B&B Stock, 2 to 3 feet	\$ 1.60
Field-grown, B&B Stock, 3 to 4 feet	2.40

RUSTICA RUBRA—Large cup shaped deep purplish red flower. Tree type habit of growth.

Field-grown, B&B Stock, 18 to 24 inches	\$ 1.20
Field-grown, B&B Stock, 2 to 3 feet	1.60

Ilex Helleri: Ideal where dwarf compact plant is needed.

Ilex

ILEX CASSINE BALDWIN—Same as native Dahoon Holly except more fruit and inclined to be more compact.

Field-grown, B&B Stock, 12 to 18 inches	\$ 1.20
Field-grown, B&B Stock, 18 to 24 inches	1.60

ILEX CORNUTA BURFORDI—Very showy with beautiful large red berries and glossy green foliage. Some of the leaves have 1 to 3 spines and others are spineless. Hardy and grows from the Gulf of Mexico to New Jersey.

Field-grown, B&B Stock, 12 to 15 inches	\$.80
Field-grown, B&B Stock, 15 to 18 inches	1.20
Field-grown, B&B Stock, 18 to 24 inches	1.60
Field-grown, B&B Stock, 24 to 30 inches	2.00
Field-grown, B&B Stock, 30 to 36 inches	2.40

ILEX CORNUTA FEMINA—Hardy, medium to large shrub with deep green, glossy foliage, showing numerous prickly spines. Berries large and bright red. Sizes 15-18" and 18-24". Prices same as Burfordi listed above.

ILEX CRENATA CONVEXA—Slow, dwarf-growing Ilex with very glossy small leaves.

Field-grown, B&B Stock, 8 to 10 inches	\$.80
Field-grown, B&B Stock, 10 to 12 inches	1.00

ILEX CRENATA ROTUNDIFOLIA—One of the most versatile of all the Crenata varieties. Semi-dwarf, compact with dark green foliage and usually without berries. Will tolerate most any type or style of pruning.

Field-grown, B&B Stock, 8 to 10 inches	\$.60
Field-grown, B&B Stock, 10 to 12 inches	.80
Field-grown, B&B Stock, 12 to 15 inches	1.00
Field-grown, B&B Stock, 15 to 18 inches	1.20
Field-grown, B&B Stock, 18 to 24 inches	1.50
Field-grown, B&B Stock, 24 to 30 inches	1.80
Field-grown, B&B Stock, 30 to 36 inches	2.20

ILEX VOMITORIA—Yaupon holly noted for its hardiness during drought and its small shiny red berries. Good plant for backgrounds.

Field-grown, B&B Stock, 12 to 18 inches	\$ 1.20
Field-grown, B&B Stock, 18 to 24 inches	1.60

THE pruning operation, illustrated below, is a typical example of the personal supervision and attention given plants grown by Dodd. Here Paul Dodd is showing one of the workmen how a particular plant is to be pruned. Note, too, the modern electric pruning shears. In every phase of our operation one of the four brother, all members of the firm, carefully controls a function of the operation. As a result, we honestly believe that you will find our plants superior to any on the market.

Showing pruning of *ilex burfordi* field June, 1955.

Miscellaneous Shrubs, Trees and Grasses

PINUS CARIBAEA (Slash Pine)—Large tree of South Atlantic and Gulf Coastal Plains. Very graceful. Needles 6 to 9 inches long and cones 3 to 6 inches long. (Container stocks only. For prices, see page 15.)

TAXODIUM DISTICHUM (Baldcypress)—Large tree with swollen base and "knees." Bark reddish brown or gray with long fibrous or scaly ridges. Leaves feather-like. Hardy in Northern states but remains small. (Container stocks only. For prices, see page 15.)

LIRIOPE MUSCARI—Border plant or ground cover. Leaves dark green, narrow and crowded, of about 6 to 8 inches in length; flowers small, violet or white on spikes.

Per 1000 clumps \$50.00

QUERCUS VIRGINIANA (Live Oak)—Fairly large evergreen tree up to 60 feet. Very graceful and sedate. (Container stocks only. For prices, see page 15.)

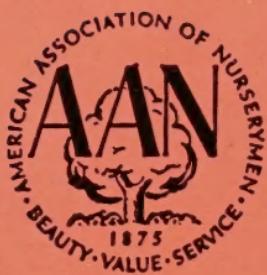

QUERCUS SHUMARDI (Red Oak)—Large deciduous tree up to 100 feet. Fast grower. (Container stocks only. For prices, see page 15.)

LAWN GRASS*—Centipede or St. Augustine.

1 to 9 yards, per square yard	\$ 1.50
10 to 99 yards, per square yard	1.25
100 to 199 yards, per square yard	1.20
200 to 299 yards, per square yard	1.15
300 to 399 yards, per square yard	1.10
400 to 499 yards, per square yard	1.05
500 yard or more, per square yard	1.00

* This grass is cut in rolls which measures 1-foot wide and 6 to 10-feet long, the length depending on the customer's desires. This size makes for better handling all along the line. A yard weighs 50 to 60 pounds.
